

Dear NR CARE Member,

The Trustee of the Network Rail CARE Pension Scheme recently undertook a review of the investment platform for the NR CARE AVC fund portfolio and have decided to transition all funds to the LGIM Investment Only (IO) platform provided by Legal & General.

As part of the transition, NR CARE members will be unable to make any requests to switch investments between **27th May** to approximately **11th June 2021**.

Following completion of the transition, an additional fund, the HSBC Islamic Fund, will also be available as part of the NR CARE AVC portfolio.

A new Investment Microsite will be published shortly after the completion of the transition where NR CARE members will be able to view NR CARE AVC investment performance and fund factsheets.

In the meantime, if you require any further information or have any queries please contact the Willis Towers Watson NR CARE Helpline on 01737 230 487 or email NetworkRailPensions@willistowerswatson.com.

Kind regards
